Subject: Beyond App – The New Era of Android UI Development

We are excited to invite you to "***Beyond App: The New Era of Android UI Development***" an insightful **expert talk** hosted by **DroidLinX**. This event delves into the **future of Android user interfaces**, exploring the **fusion of smart design, AI personalization, and immersive AR/VR technologies**.

The session will be conducted on **10th April 2025**, from **9:30 am to 2:00 pm**, at the **B2 Seminar Hall**.

This **expert-led talk** is designed to empower students with knowledge about:

- ✓ The **latest UI/UX trends** shaping the Android development landscape
- ✓ Leveraging AI to **deliver dynamic and user-centric app** experiences
- ✓ **Integrating AR/VR** for next-gen mobile interaction
- ✓ Future-ready **frameworks, tools, and design** practices

All students interested in **Android development, UI/UX design**, and emerging technologies are encouraged to attend and stay ahead of the innovation curve. **E-certificates** will be provided to all participants, and an **interactive Q&A session** will follow the talk.

For further details, please visit your CUIMS account.

EVENT REPORT:

Department Name:	Academic Unit 5	HOD NAME:	Dr. Manjeet Singh
Name of Event/Activity:	Beyond App – The New Era of Android UI Development		
Category Of Activity	Co-Curricular		
Date:	20/04/2025		
Venue:	Seminar Hall, Block B2		
Mode:(Online/Offline)	Offline		
No. of Participants:	Audience: - 200		
Coordinator Name:	Er. Barinderjit Kaur		
Email of Coordinator:	barinderjit.e16169@cumail.in		
Contact:	9056273766		

Beyond App: The New Era of Android UI Development

Beyond App: The New Era of Android UI Development is a half-day **expert talk** curated for students passionate about **Android, design, and next-gen mobile technologies**. Organized by **DroidLinX**, this session takes a visionary look at the evolution of **Android UI—blending intelligent design, artificial intelligence, and immersive technologies** to create smarter, more engaging app experiences.

The session covers:

- **Emerging UI/UX trends** driving innovation in Android apps
- Using AI for **crafting personalized and intuitive** user interfaces
- **AR/VR integration** and its role in transforming mobile interactions
- Future-ready **tools, frameworks, and best design** practices

Participants will gain **future-focused insights**, learn to apply **innovative concepts in real-world apps**, and engage directly with **industry experts** through an interactive **Q&A**.

Objectives:

The **expert talk** aims to expose students to the **future of Android UI development**. By the end of the session, participants will:

- **Understand** how current and upcoming UI/UX trends influence Android design
- **Learn to integrate** AI for enhanced user personalization
- **Explore AR/VR** possibilities within mobile app development
- **Get acquainted with tools and practices** that prepare them for industry innovation
