Subject: Proposal for the "Broken Console" event by C Square Club

The Broken Console Game Development Workshop is an immersive experience for aspiring game developers. Participants will gain hands-on skills, develop their own game prototypes, and learn key game design principles, all while collaborating with fellow enthusiasts and exploring career paths in the gaming industry.

Event Objectives:

- **Skill Acquisition:** Teach participants foundational skills in game design and programming.
- **Creative Development:** Encourage participants to brainstorm and develop their own game ideas.
- **Networking:** Facilitate collaboration and connections among participants and industry professionals.
- **Industry Awareness:** Provide insights into career opportunities in game development.
- **Prototype Creation:** Guide participants in developing and presenting a simple game prototype.

Outcomes of the events:

- **Game Prototype Development:** Participants will create a simple game prototype, applying the concepts learned during the workshop.
- **Improved Technical Skills:** Attendees will gain hands-on experience with game development tools, enhancing their programming and design capabilities.
- **Networking Opportunities:** Participants will connect with fellow attendees and industry professionals, fostering relationships that can lead to future collaborations.
- **Understanding of Game Design Principles:** Attendees will grasp key game design concepts, allowing them to create more engaging and effective games.
- **Career Path Insights:** Participants will learn about various roles and opportunities in the gaming industry, helping them navigate potential career paths.

The details of the program are proposed to be as follows:

Proposed Date: 21st October, 2024

1:30 PM - 2:30 PM	Hands-On Programming Session	Practical session where participants learned how to code simple game mechanics using Unity , mentored by Pratik Deshmukh .
2:30 PM - 3:30 PM	Art & Sound in Games	Session on how to incorporate visual elements (art) and audio (sound effects and music) into games to enhance player experience, featuring insights from Ubisoft India .
3:30 PM - 4:00 PM	Group Presentations	Participants presented their prototypes, with feedback from Pratik Deshmukh and fellow attendees.
4:00 PM - 4:20 PM	Feedback & Wrap-Up	Final feedback session where participants were given personalized advice on improving their prototypes from Pratik Deshmukh and workshop organizers.

4. Attendee Participation:

- Diverse Audience:** The workshop attracted **150+ participants** from the **CSE Department**, all eager to learn more about game development and gain practical experience.
- Active Engagement:** Participants were actively engaged in the hands-on programming sessions, collaborating in teams and receiving valuable insights from **Pratik Deshmukh** and industry professionals.
- Group Work:** Teams were encouraged to create their own game prototypes, which promoted collaboration and creative problem-solving, furthering their technical understanding.

5. Key Activities and Highlights:

- Introduction to Game Development:** **Pratik Deshmukh** kicked off the workshop with an introduction to the game development industry. He shared his journey as a **Junior Programmer at Ubisoft India**, and provided valuable insights into the game development lifecycle, the role of programmers, and the impact of **Ubisoft** on the gaming community.
- Game Design Principles:** Participants learned the core principles of **game design**, including:
 - User Experience (UX):** The importance of designing games that are engaging and accessible.
 - Balance:** How to make games challenging yet fair.
 - Storytelling:** Crafting compelling narratives to enhance the player experience.

- c) **Hands-On Programming Session:** Under the guidance of **Pratik Deshmukh**, participants were taught how to implement basic game mechanics using **Unity**. They learned:
- How to program basic interactions, such as movement and collision detection.
 - Ways to create simple levels and challenges within the game.
- d) **Art & Sound in Games:** The workshop also included a session on how to incorporate visual elements and sound into games. **Ubisoft India** shared tips on creating immersive **art** assets, animations, and sound effects to enhance player engagement.
- e) **Group Presentations:** Participants presented their **game prototypes** in groups, showcasing their coding, design, and creative skills. Feedback from **Pratik Deshmukh** and other industry mentors helped participants refine their ideas and better understand what it takes to bring a game to life.
- f) **Feedback & Wrap-Up:** The workshop concluded with a **feedback** session where **Pratik Deshmukh** provided one-on-one feedback to participants, offering advice on improving their prototypes and guiding them on how to advance in the game development field.

6. Outcomes of the Event:

- a) **Game Prototype Development:** All participants successfully created a **game prototype**. This experience allowed them to apply the game design principles and programming skills they learned during the event.
- b) **Improved Technical Skills:** Participants gained hands-on experience with **Unity**, learning how to code essential game mechanics and develop functional prototypes.
- c) **Networking Opportunities:** The collaboration with **Ubisoft India** provided an excellent opportunity for participants to network with professionals in the game development industry. They were able to ask questions and discuss potential career opportunities with **Pratik Deshmukh** and other experts.
- d) **Understanding of Game Design Principles:** By the end of the workshop, participants gained a solid understanding of the fundamental principles of game design, including how to build engaging and playable games.
- e) **Career Path Insights:** **Pratik Deshmukh** shared insights into the various career opportunities in the game development industry, helping participants understand the necessary skills, qualifications, and certifications required for a successful career in this field.

7. Event Resources:

- **Venue Setup:** The seminar halls were equipped with **high-speed internet, projectors, sound systems, and comfortable seating** for participants.
- **Development Tools:** Participants used **Unity** and other industry-standard tools provided during the workshop.
- **Event Kits:** Attendees received workshop materials, access to online resources, guides, and certificates.

8. Participant Feedback:

- **Quotes from Attendees:**
 - "The workshop was incredibly insightful! Getting to learn directly from **Pratik Deshmukh** was an amazing experience. I feel more confident about pursuing a career in game development!"
 - "The hands-on sessions were so valuable. I can't wait to apply these skills to my own game projects!"

- **General Observations:**

- Participants appreciated the balance between **theory** and **hands-on** sessions.
- Many were inspired by the career insights shared by **Pratik Deshmukh**, and felt motivated to explore game development further.

9. Event Poster:

10. Conclusion:

The **Broken Console Game Development Workshop**, in collaboration with **Ubisoft India** and led by **Pratik Deshmukh**, was a major success. Participants left with a deeper understanding of **game development**, having created their own prototypes and received direct feedback from an industry professional.

The event not only helped participants develop technical skills but also opened their eyes to the vast career opportunities in the gaming industry, particularly at companies like **Ubisoft India**. The workshop has set the stage for future collaborations and workshops focused on game development and innovation.
