

ACTIVITY BUDGET SUMMARY SHEET

EVENT DETAILS

Department Name: Aerospace engineering

Activity/Event Name: Nasa Citizen Science workshop

Activity/Event Type: Workshop

Event Date: 17th September 2024

Co-Curricular Coordinator: Ms. Moniya

Entity Type: ☒ Club ☐ Departmental Society ☐ Community ☐ Professional Society

Entity Name: Chandigarh University Astronomy Club

Category	Amount (in Rupees)	Remarks
Approved Departmental Budget for Current AY [24 – 25(for Activities/Events)]	713000	Attach Copy of Approved Budget with Highlight, Annexure 1
Budget Used/Spent Till Date [AY 2024- 2025]	161,985	-
Balance Budget Available	551,015	Approved Dept. Budget – Budget used till date
Sponsorship Amount (If Any)	NA	Attach Proof of Verification, Annexure 2
Budget Required for the Activity/Event	1450	Budget Summary with Details of [Revenue/Expense], Annexure 3
No. of students benefitted from the Activity/Event	120	-

*Attach the Copy of Approved Institute/Department Budget for AY [23-24] the Activities/Events duly signed and stamped by the HoD(s), Director(s) and Executive Director(s). [Annexure - 1]

*Details of the Organization/Committee paying the sponsored amount along with the verification of the amount received from Department of Accounts. [Annexure - 2]

*Budget Summary along with Total Revenue/Expense for Activity/Event. [Annexure - 3]

NOTE: Activity/Event Approvals to be submitted, prior 72 hours of duly signed and stamped by the HoD(s), Director(s) and Executive Director(s) in the Department of Academic Affairs.

Received Date(For Office Use): 06/09/2024

A Brief Description of Event

Outcome of the Activity: Asteroid mission certification

Citizen science involves public participation in research, where non-professional individuals contribute to scientific studies. It spans in fields like ecology, biology, astronomy, and information science. The NASA Citizen Science Workshop will allow participants to learn how they can contribute to cutting-edge NASA missions by analyzing data, observing celestial events, and recording environmental changes.

Required Documents

ALL APPROVAL MUST BE IN BETWEEN 27TH OF MONTH TO 3RD OF NEXT MONTH. AFTER OFFLINE APPROVAL, CUIMS PUNCHING WITHIN 7TH OF EVERY MONTH FOR ALL EVENTS IS MANDATORY AND SHOULD BE COMPLETED AS PER DELEGATION OF POWER.

[If any documents is missing approval will not be processed] [Attach the below Annexure with this form]

NASA CITIZEN SCIENCE WORKSHOP

Event Date: 17-09-2024

Organized by: Chandigarh University astronomy club

Event: Workshop

Event/Activity name: NASA Citizen Science Workshop

Department Name: Aerospace Engineering

Coordinator Name: Mr. Rahul Gupta

Brief Description-

Thee NASA Citizen Science Workshop and discover how you can contribute to NASA missions through hands-on research. This workshop will introduce you to citizen science, where amateur researchers and the general public collaborate with professional scientists on important studies in fields like astronomy, ecology, and health. Learn to analyze NASA data, observe celestial events, and record environmental changes—all while contributing to cutting-edge research. Whether you're passionate about space, conservation, or science in general, this workshop will equip you to make a real impact alongside NASA's experts.

Objectives:

- 1. Empower Public Participation:** Equip participants with the skills and knowledge to actively contribute to NASA missions and scientific research through citizen science initiatives.
- 2. Promote Collaborative Research:** Foster a collaborative environment where participants can work alongside professional scientists to analyze data and solve pressing scientific questions.
- 3. Enhance Scientific Literacy:** Increase participants' understanding of key scientific concepts and methodologies used in fields like astronomy, ecology, and environmental science.
- 4. Encourage Environmental Awareness:** Teach participants how to observe and record environmental changes, contributing valuable data to global research efforts.
- 5. Inspire Continued Involvement:** Motivate participants to remain engaged in citizen science projects, supporting ongoing NASA missions and other scientific endeavors.

Minute to Minute Schedule

Event/Activity Name: Nasa Citizen Science workshop

Date: 17th September 2024

Department Name: Aerospace engineering

Coordinator Name: *Ms. Rakhee Gupta*

Brief Description: Citizen science involves public participation in research, where non-professional individuals contribute to scientific studies. It spans in fields. This will allow participants to learn how they can contribute to cutting-edge NASA missions by analyzing data, observing celestial events, and recording environmental changes.

Timings	Sequence of Events
9:30-10:00	Introduction
10:00-11:00	Technical session (1) on astrometrics
11:00-12:00	Technical session (2) on black hole finder
12:00-12:30	Hands-on practise
12:30-1:00	Vote of thanks

APPROVED BUDGET FOR THE ACADEMIC YEAR 2024-2025

Department Name : AEROSPACE ENGINEERING

Budget Approval Date : July 31, 2024

S.No.	Budget Category	Amount
1	Affiliation/Inspection/Membership Fee	42,500.00
2	Collaborative Courses	0.00
3	Events/Fests/Conclaves	34,000.00
4	Faculty/Staff Training/Regd Fee/FDP	51,000.00
5	Honorarium/Guest Lectures	42,500.00
6	International Conference	0.00
7	Lab Consumables/Repair Maint	0.00
8	Major Equipments	317,750.00
9	National Conference	0.00
10	Projects/CU Financed/Specialised	127,500.00
11	Seminar/Workshop	55,250.00
12	Teaching Aid/Pa/Audio/Sound	0.00
13	Transport For Industrial Visit	42,500.00
Total Amount (in Rs.)		713,000.00

REPORT

Objective:

The objective of the Citizen Science Workshop is to involve participants in space research by teaching them to use tools like Astrometrica and contribute to NASA missions. Through hands-on sessions, participants will gain practical experience in data analysis and celestial observations, fostering interest in aerospace science.

Conduct of the Event:

The Citizen Science Workshop starts with an introduction to citizen science and public participation in research. The first technical session introduces Astrometrica software, guiding participants on its use for astronomical data analysis. The second session focuses on identifying black holes using NASA-related data. Following this, participants engage in a hands-on practice session to apply the skills learned. The workshop concludes with a vote of thanks, acknowledging participants' contributions and encouraging further involvement in space research.

Feedback:

The attendees' enthusiastic comments confirmed that the “NASA Citizen Science Workshop” was a success. Students expressed their excitement to work on the Astrometrica Software with the Astronomy Club further and commended the interesting and educational quality of the events.

Some of the feedbacks that were highlighted are followed up :

- “Experience was amazing, learnt so many things and overall experience was top notch.”
- “The core member team is always very helpful and hostile.”
- “It was really a great experience.”
- “Great , couldn't ask for more”

Area of Improvements:

Despite the fact that the event was successful, there is always space for growth. In the NASA CITIZEN SCIENCE WORKSHOP, the students faced issues in installing and running the software. The students claimed that if there would have been a walkthrough video of how to install the software it would have been helpful also the event could have been more interactive and fun rather than just being the theoretical introduction.

Conclusion:

In conclusion, the Citizen Science Workshop equipped participants with hands-on skills in using Astrometrica and exploring black hole identification. Attendees gained practical experience in contributing to NASA missions, highlighting the importance of public involvement in scientific research. The workshop successfully fostered curiosity and engagement, inspiring participants to continue exploring space science.

M2M of the event:

Timings	Sequence of Events
9:30-10:00	Introduction
10:00-11:00	Technical session (1) on Astrometrica

11:00-12:00	Technical session (2) on Black Hole Finder
12:00-12:30	Hands-on practice
12:30-1:00	Vote of thanks
