NAKSHATRA: ORIENTATION

Event Date: 14-09-2024

Organized by: Chandigarh University astronomy club

Event: ORIENTATION

Event/Activity name: Nakshatra: Orientation

Department Name: Aerospace Engineering

Coordinator Name: Mr. Rahul Gupta

Brief Description-

The Nakshatra Orientation will introduce first-year students to the world of astronomy, starting with an overview of the club's mission and benefits. A brief presentation on astronomy basics and fascinating celestial phenomena will follow, along with details about our activities like telescope nights, star-gazing events, and collaborations with NASA and ISRO. Students will have the chance to meet current members and explore how they can contribute. The event will conclude with a hands-on telescope demonstration, providing an opportunity to learn and observe the night sky, weather permitting.

Objectives:

- 1. Introduce the Club:** Provide first-year students with a comprehensive overview of the Astronomy Club's mission, goals, and membership benefits.
- 2. Educate on Astronomy:** Offer a foundational understanding of key astronomical concepts and highlight the role of amateur astronomers in scientific discovery.
- 3. Promote Club Activities:** Inform new students about the club's regular events, including telescope nights, star-gazing sessions, and collaborative projects with organizations like NASA and ISRO.
- 4. Facilitate Networking:** Create opportunities for new students to meet and interact with current club members, fostering a sense of community and collaboration.
- 5. Engage Through Hands-On Learning:** Provide a practical experience with telescopes, allowing students to learn basic operation techniques and observe the night sky.

REPORT

Objective:

The objective of the orientation was to introduce first-year students to the Astronomy Club, highlighting its mission, vision, and achievements. The event aimed to inspire and encourage new students to join and actively participate in the club's activities.

Conduct of the Event:

The event commenced with student registration and seating arrangements, followed by a welcome address by the HoD and Faculty In-charge. The Club Introduction session was conducted by the Secretary and Jt. Secretary, showcasing the club's accomplishments and future plans. The Pop Trivia Quiz and General Interaction session engaged attendees, testing their celestial knowledge with fun and challenging questions. The Q&A Session and Closing Address concluded the event.

Feedback:

The attendees provided enthusiastic feedback, expressing their excitement to explore astronomy further with the club. They commended the interactive and educational quality of the events. Some notable feedback includes:

- "Amazing...I had a lot of fun. The session was interactive...I genuinely enjoyed thoroughly."
- "It was really captivating and enlightening...boosted my spirit to explore and learn more."
- "It was excellent! Filled with lots of fun and enthusiasm...equipped me with an inspiration to go beyond the Karman Line and explore Astronomy."

Area of Improvements:

Sharing management members' experiences: Students suggested that hearing about the club's management experiences would have provided a better understanding of the exposure they would receive by joining the club.

Conclusion:

The Nakshatra - Orientation 2024 event successfully introduced first-year students to the Astronomy Club, fostering interest in astronomy and attracting new members. The event's engaging content and interactive activities ignited a passion for astronomy among attendees, enriching their academic experience and promoting scientific curiosity.
