GALACTIC GAZE: TELESCOPE WORKSHOP

Event Date: 14-09-2024

Organized by: Chandigarh University astronomy club

Event: Galactic gaze: telescope workshop and stargazing event

Event/Activity name: Galactic gaze .

Department Name: Aerospace Engineering

Coordinator Name: Mr. Rahul Gupta

Brief Description-

The Telescope Workshop is a hands-on and immersive event designed for the students of the Department of Aerospace Engineering. During this workshop, participants will have the opportunity to learn the fundamentals of telescope operation and maintenance. They will gain practical skills in setting up and calibrating telescopes and understanding the basic principles of astronomical observation. This workshop provides a unique chance to explore the mysteries of the night sky. Participants will also discover tips and techniques for better stargazing and how to navigate the cosmos effectively using telescopes.

Objectives:

Enhance Practical Skills: Provide hands-on experience with telescope setup, alignment, and operation, ensuring participants can independently use telescopes for celestial observation.

Expand Astronomical Knowledge: Educate participants about the night sky, including identifying key celestial objects like planets, stars, and galaxies, and understanding their significance.

Promote Collaborative Learning: Foster teamwork and collaboration among participants through group activities, encouraging the sharing of knowledge and observational techniques.

Develop Critical Observation Techniques: Teach participants how to plan and conduct detailed astronomical observations, including using different filters and lenses to enhance viewing.

Inspire Further Exploration: Motivate participants to pursue further studies and research in astronomy by demonstrating the exciting possibilities of amateur and professional astronomical observations.

REPORT

Objective:

The objective of the telescope workshop was to gather space enthusiasts from different department and encourage them to join the Astronomy club and also give them an opportunity to understand the functionality & fundamentals of telescope and help them to made a right decision, by Joining CUAC club.

Conduct of the Event:

The event commenced with student registration and seating arrangements in b4 block at 7:00 pm, followed by a welcome address by the team leads. The Club Introduction session was conducted by the team leads, showcasing the club's accomplishments and the future plans. The tutoring session for telescope (in 2 phases). 1st Phase in class(903 & 904) by team leads and Secretary, 2nd phase is at B4 roof around 10 pm by Team lead and simultaneously ensuring the discipline work by CUAC management team and General Interaction session to engaged attendees, testing their space & telescope knowledge with fun activities and challenging questions. The Q&A Session and Closing Address concluded by the Mr. Rahul Gupta (Faculty In-charge).

Feedback:

The attendees provided awesome feedback, expressing their excitement to explore astronomy further with the club. They commended the interactive and educational quality of the events. Some notable feedback includes:

- Good experience to know about astronomy, but mildly disappointed due to the clouds. Yet club members covered sharing enough knowledge.
- It was very exciting to know more about telescopes and the sky, and I am looking forward to more of these events.
- It was a nice experience. We got the chance to know about many new things about aerospace.

Area of Improvements:

Sharing management members' experiences: A promotional video should video should be there.

Conclusion:

The Telescope Workshop 2024 event successfully introduced for different department space enthusiasts and knowing them about the Astronomy Club, fostering interest in astronomy and attracting new members. The event's engaging content and interactive session ignited a passion for astronomy among attendees, enriching their academic experience and promoting scientific curiosity.
