

CIRCULAR

Ramanujan Club from the Department of Mathematics of the University is organising a fun intellectual event i.e **MATHMAZE - Escape Room Challenge** on 13th February 2025 between (12:30 pm – 4:20 pm) at **DD1 Block Seminar Hall**, Chandigarh University.

Event Details:

We invite you to participate in MATHMAZE, an Escape Room Challenge based on hypothetical, analytical and Mathematical questions that one team would have to solve to escape from the locked room. Test your skills, accuracy, speed and knowledge across **two exciting rounds** and showcase your problem-solving prowess in this exciting competition organized by the Ramanujan Club.

This challenge offers an authentic and one and only platform to put your analytical abilities to work, compete with some intellects from different streams, test your pace and accuracy in this time oriented race to escape from a room and shine as a true winner. Don't miss this thrilling opportunity to learn, compete, and excel!

For further details, please visit your CUIMS account.

Remarks

Event Details: **MATHMAZE** – Escape Room Challenge

Description:

Mathmaze is an intellectual and jovial mathematics and analytical competition designed as an escape room challenge to contest and enrich students' problem-solving skills. The competition aims to foster logical thinking, analytical reasoning, and mathematical proficiency along with speed and accuracy through a structured and competitive environment that will also expose the students to some real-life situation-based questions.

Event Structure:

The event will be conducted in two rounds:

1. ****Online Preliminary Round:****

- Date: 12th February 2025
- Mode: Online
- Objective: Screening round to shortlist participants for the next stages.

2. ****Offline Final Round:****

- Date: 13th February 2025
- Venue: DD1 Seminar Hall
- Objective: Determining the ultimate winners through complex escape room challenges including problem-solving and analytical reasoning.

Objectives:

- To promote mathematical and analytical reflection among participants.
- To evaluate aptitude talents through challenging real-life based questions.
- To boost problem-solving capabilities under timed constraints.
- To deliver a forum for students to showcase their mathematical mastery.

Expected Outcomes:

- Enhanced analytical logic and mathematical problem-solving skills.
- Recognition and rewards for exceptional talent in mathematics, accuracy, momentum, and aptitude.

Event Instructions

1. Team Formation

A team must consist of exactly 4 members to participate in the event.

2. Event Structure:

The event will consist of 2 rounds:

- Round 1: Online Screening

Date: 12th February 2025

Time: 6:00 PM

Format: 30 questions to be answered in 15 minutes.

Only One Person from each team must fill the Registration form. Only registered emails (as filled in the form) will be entertained.

The online link will remain open for 15 minutes, **Only the best person or the Team Leader will give this round whose email id has been filled in the Registration form.**

This will be an elimination round.

- Round 2: Ultimate Escape Room Challenge

Date: 13th February

Time: 12:00 pm onwards

Venue: 113, Seminar Hall, DD1 Block

This round will have hypothetical questions and mysteries and the one team who will solve the mysteries and escape the room in the least time will eventually win.

Further instructions will be provided later on the day of the event before the event starts.

3. Awards and Certificates:

- The top teams will be awarded medals.
- Participation certificates will be provided to students.

4. Other Information:

- Duty Leave (DL) for the entire day will be provided to participants.

- Decisions regarding the number of teams qualifying for Rounds 2 will be announced after registrations.
- The decision of the Core Team of the Club will be final and abiding.

Rules for the Event

1. Fair Play:

Use of electronic devices or any unfair means will result in immediate disqualification.

2. Team Rules:

A team must have exactly 4 members.

3. Email Registration:

Only emails submitted via the registration form will be considered for Round 1.

4. Round Completion:

For Round 1, the link will remain active for 15 minutes, and teams must complete the quiz within this time.

5. Core Team Decisions:

The decision of the Core Team of the Club will be final and cannot be contested.

6. Round-specific Instructions:

Instructions for Round 2 will be shared at the respective stages of the competition.

Student Joint Secretary	Kushal Biswas, Himpriya
Event Venue	Seminar Hall, Block DD1, Chandigarh University
Event Date and Time	13 th February 2025, 12:45 PM – 04:00 PM

1) Event Name: Intelliquest Challenge - Olympiad

2) Event Objectives:

- a) To provide an exciting platform for students to showcase their mathematical and logical reasoning skills through interactive escape room challenges.
- b) To foster a love for problem-solving and mathematics by engaging participants in fun, immersive, and educational puzzle-based activities.
- c) To encourage teamwork and collaboration, allowing students to develop critical thinking and decision-making skills in a high-pressure, competitive environment.
- d) To identify and nurture young talents in mathematics and logical reasoning, inspiring them to further explore these fields.
- e) To boost students' confidence in their mathematical abilities by challenging them to apply theoretical knowledge to real-time problem-solving scenarios.
- f) To build connections among participants from different institutions, promoting peer learning, teamwork, and a spirit of healthy academic competition.

3) Brief Summary (in 100-200 words) :

On February 13, 2025, the **Ramanujan Club** successfully hosted the much-anticipated "**MathMaze – The Escape Room Challenge**," an inter-collegiate competition designed to test participants' mathematical reasoning and problem-solving skills in a high-pressure environment. The event witnessed enthusiastic participation, with students showcasing their logical thinking and teamwork. The competition kicked off with an **online preliminary round**, serving as the first screening phase. With **50 team registrations covering over 180 students**, only the top **9 teams** advanced to the **final offline round**—the MathMaze Escape Room Challenge. The offline round, held at the **DD1 Seminar Hall and Classrooms** from **12:30 PM to 4:10 PM**, required teams to apply mathematical logic and strategic thinking to escape within the given time. The event concluded with the announcement of the winners, who demonstrated exceptional problem-solving abilities under pressure. Meticulous planning and coordination by the **Ramanujan Club** ensured the seamless execution of the event, making **MathMaze** a thrilling and memorable success.

4) Future Scope :

MathMaze has the potential to grow into a **prestigious annual competition**, attracting participants from a wider range of colleges and universities. Expanding the event to include **more diverse and complex puzzle formats**, incorporating **real-world problem-solving scenarios**, and introducing **advanced mathematical reasoning challenges** will further enhance its appeal and competitive edge. Collaboration with **academic institutions, industry experts, and sponsors** can elevate the event's reach and credibility. Partnering with professionals in **mathematics, data science, and game design** can help introduce innovative escape room concepts that test participants' analytical and strategic thinking skills. Additionally, incorporating **interactive workshops, expert-led discussions, and strategy sessions** alongside the competition will provide participants with deeper insights into **logical reasoning, problem-solving techniques, and real-life mathematical applications**. These enhancements will not only boost participation but also foster a stronger problem-solving culture among students, making MathMaze a **premier event in mathematical and analytical reasoning competitions**.

MINUTES OF MEETING:

<u>TIMINGS</u>	<u>EVENTS</u>
12:30 PM - 12:45 PM	Registrations of the team and their Settlements.
12:45 PM – 1:00 PM	Official Briefing about the event, instructions and gameplay.
