

CO CURRICULAR ACTIVITY COURSE

Content

1. Introduction of your domain: Objective
2. Course offerings in Co Curricular Domain
3. Semester wise Credit Distribution
4. Assessment rubrics and parameters
5. Complete process
6. Importance

[1] Objectives

1. Complementary to *Curriculum*
2. Learning **Beyond** Classroom
3. Learning By *Doing*
4. Learning *Life Lessons*
5. Organizing Skills & Leadership Quality
6. *Networking* & Team Collaborative Working

[2] Course Offering

S.No.	Course Name	Course Code	Max Seat	Credit
1	Complementary to Curriculum	24GPE101	3000	01
2	Learning Beyond Classroom	24GPE102	3000	01
3	Learning By Doing	24GPE103	3000	01
4	Learning Life Lessons	24GPE104	3000	01
5	Organizing Skills & Leadership Quality	24GPE105	3000	01
6	Networking & Team Collaborative Working	24GPE106	3000	01

***Credit will be redeemed after one Academic Year**

[2.1] Course Offering

Objective-Learning	Experience	Type of Activity - Experience + Learning	
Complementary to Curriculum	Learning life lessons	- Seminar/Webinar - Panel Discussion - Podcast - Youth Parliament - Health and Wellness Promotion	- Awareness Session - Professional Ethic - Diwali Extravaganza - Debate and Public Speaking

Department

PVC- AA

- Approved and Shared to DLL**
- 1.PVC-AA team will ensure that all university student records are shared appropriately.

Importance of course offered by your domain

Holistic Education Model

- Holistic Education
- Experiential Learning.
- Attracts Prospective Students & Parents

Recognition and Awards

- Achievements
- Reputation & Branding.
- Media coverage
- Outreach on Social media Engagement .

Active Campus Life

- Dynamic and Engaging Campus Environment.
- Student Satisfaction & Engagement contribute to a positive Campus Experience.

Retention & Graduation Rates

- Active Involvement
- Students Engaged Beyond Academics

Enhanced Learning Outcomes

- Complement Academic Learning, & Communication Skills.
- Better Academic Performance
