

Standard Operating Procedure (SOP)

Event Planning, Approval, and Execution Framework

Prepared by **Atharva Barge** | T500316

atharva.e500316@cumail.in

Institution: Chandigarh University (CU)

Applicable To: All Departments, Schools, Academic Units, Student Clubs, Communities, and Central Bodies under Office of Academic Affairs

Issuing Authority: Office of Academic Affairs

Document Type: Institutional Standard Operating Procedure

Purpose, Scope, and Compliance:

This document establishes standardized procedures for the planning, approval, coordination, and execution of events at Chandigarh University. It applies to all academic, co-curricular, extracurricular, departmental, and centrally organized events conducted within or under the purview of the University. Adherence to this SOP is mandatory for all organizing entities, and any deviation from the procedures outlined herein requires prior written approval from the competent authority.

February 2026 – June 2026

Phase 1: Activity Proposal

The Activity Proposal is the first and most critical step in organizing any event at Chandigarh University. No activity, communication, or booking may be initiated without an approved proposal. The proposal can be initiated through two routes depending on the **source of funding**.

1. Department Route (Department Budget)

If the event is being organized using the department's budget, the proposal must follow a defined approval hierarchy. The proposal is first initiated at the student level and then gradually escalated through academic and administrative authorities.

The approvals required, in sequence, are:

- Student Secretary
- Faculty Advisor
- Head of Department (HoD)
- Associate Director / Director
- Executive Director
- Assistant Dean / Associate Dean / Dean
- Pro Vice Chancellor – Academic Affairs
- Pro Vice Chancellor

Organizers following this route are strongly advised to consult the **Departmental Event Coordinator**, who can guide them on documentation standards, timelines, and internal department practices.

2. Central Route (Office of Academic Affairs – OAA Budget)

If the event is funded through the Central budget under the Office of Academic Affairs, the approval chain is shorter but equally mandatory.

The proposal must be approved by:

- Student Secretary
- Faculty Advisor
- Assistant Dean / Associate Dean / Dean
- Pro Vice Chancellor – Academic Affairs
- Pro Vice Chancellor

Organizers must use the officially approved Activity Proposal format for submission, as only the prescribed format will be processed. For any doubts or procedural queries, cocurr.clubs@cumail.in may be contacted.

Phase 2: Booking a Venue

Chandigarh University provides multiple venue options depending on the nature and scale of the event. **Venue booking is allowed only after formal event approval and budget approval.** Requests submitted without approval will not be processed. Venues will be allocated provisionally. Change at short notice will be enforced in case of emergent or priority requirement, without exception.

The commonly available venues include:

- Seminar Halls
- Auditoriums
- Conference Halls
- Open Areas
- Classrooms and Laboratories
- C3 Main Ground

Seminar Halls, Auditoriums, and Conference Halls

For these venues, organizers must send a formal booking request via email.

- Primary email: pa.harkinderkaur@cumail.in
- Mandatory CC: SENIORDIRECTOR.ADMIN@cumail.in

Additional CCs (recommended):

- soundincharge@cumail.in
- head.electrical@cumail.in
- csso@cumail.in

If IT or internet support is required:

- ITSUPPORT@cumail.in

Auditorium bookings follow a **specific email format**, which is provided in the annexure.

Open Areas (Block-wise)

Open areas are controlled at the block level. Permission must be taken from both the academic and administrative authorities of the block.

Required actions:

- Seek approval by mailing the request to the Block Head / Principal
- CC pa.harkinderkaur@cumail.in and SENIORDIRECTOR.ADMIN@cumail.in

If sound or electrical setups are required, also CC:

- soundincharge@cumail.in
- head.electrical@cumail.in

For IT, internet or routers support:

- itservices@cumail.in
- ITSUPPORT@cumail.in

Additional but, mandatory CC:

- csso@cumail.in

Classrooms and Laboratories

Classrooms and labs can be reserved with approval from the Head or Principal of the concerned block. If any class is being shifted due to the event, the class monitoring authority must be formally informed by the same Head or Principal.

C3 Main Ground

The C3 Main Ground is under the Sports Department and follows a dedicated approval route.

- Mail to: SENIORDIRECTOR.ADMIN@cumail.in
- CC: pa.harkinderkaur@cumail.in, dydirector.sports@cumail.in

Other Areas

For areas not listed above, organizers may contact pa.harkinderkaur@cumail.in and SENIORDIRECTOR.ADMIN@cumail.in **only after event approval**. Queries can be routed through the OAA under Dr. Ankita Sharma.

Phase 3: Designing Creatives and Branding

All event creatives must comply with Chandigarh University branding guidelines. Organizers have four approved methods to obtain designs, depending on urgency, scale, and printing requirements.

Recommended design channels:

- Branding and Communication Department
- Office of Academic Affairs (OAA)
- Central Event Management Division (CEMD), Department of Student Affairs and Administration
- Self-design (strict adherence to CU branding rules)

Printing-related Creatives

For flexes, banners, standees, unipoles, and other printed material, organizers are strongly advised to use the first three channels.

Key requirements:

- Exact dimensions must be provided for printing materials
- Dimensions are not required for digital flyers or circulation posters
- High-quality logo files and all official logo variations must be attached

Branding and Communication Department

- Mail: harminster.oshan@cumail.in
- Mandatory in-person discussion after mailing
- Office: Block A1, Level 5

Central Event Management Division (CEMD)

- Faculty SPOC must be assigned
- Faculty coordinator schedules the first meeting
- Student SPOC may coordinate after initial approval

Details:

- Office: Block B3, Department of Student Affairs and Administration
- Mail: cecmd@cumail.in

CEMD also supports animation loop videos for digital standees, if required.

Office of Academic Affairs (OAA)

- Mail: vikas.e18225@cumail.in
- Faculty or student SPOC must visit the office
- Office: Block B1, Room 315

Self-Designed Creatives (Printing Use)

If designs are created independently, the following rules must be followed:

- Software: Corel Draw
- File format: .CDR
- Color mode: CMYK only

Before printing the designs must be approved from OAA, CEMD or Branding Department.

Trophy, Medal, and Memento Designs

Before designing stickers or engravings, sticker dimensions must be obtained from the Purchase Department.

Important rules:

- Only faculty members are allowed to visit the Purchase Department
- Students must not approach the department

Office location: Block A1, Level 1

Social Media and Academics@CU Posting

Once creatives are finalized, they must be circulated through official department and university handles.

For Academics@CU (Mandatory):

- Mail: sanjeev.e18223@cumail.in
- Office visit: Block B1, Room 315

All design requests must be raised **at least two weeks prior to the event** to avoid last-minute delays.

Phase 4: Media Coverage of Event

Chandigarh University offers official media support for approved events, subject to availability and priority.

Video Coverage – Manthan: The Media Studios

To request video coverage:

- Mail: hod.mediastudios@cumail.in
- CC: director.mediastudios@cumail.in

Mandatory attachments:

- Event approval document
- Detailed M2M document

Additional requirements:

- Mandatory office visit after mailing
- Office: Block A1, Level 5
- Coverage is not guaranteed and depends on priority
- A predefined email format must be followed (Annexure)

Photography – University Media Centre (UMC)

For photography coverage:

- Mail: Prabhdeep.singh@cumail.in

Attachments required:

- Event approval document
- M2M document

Office location: Block A1, Level 5

Photography support is also subject to availability and priority.

Please Note: In both coverage cases, none of the commitments are confirmed, and the event coverage may be cancelled at any point if higher-priority coverage is required.

Phase 5: Hospitality and Accommodation

Guest Lunch at Pepper

Pepper is the university's in-house restaurant for official guest meals.

Procedure:

- Mail: hospitality.travel@cumail.in
- Attach event approval
- Mention date, time window, and number of guests

Rules:

- Only one SPOC is allowed to accompany guests
- SPOC must be a faculty member
- Students are not allowed
- SPOC lunch cost must be included and approved in the budget

High Tea Arrangements

For high tea requirements:

- Mail: hospitality.travel@cumail.in
- Venue peon must collect refreshments
- Organizers must return any cutlery provided

Guest House Booking

For accommodation arrangements:

- Mail: pa.harkinderkaur@cumail.in
- CC: SENIORDIRECTOR.ADMIN@cumail.in

Mandatory details:

- Event approval document
- Government-issued ID proofs of guests
- Check-in and check-out dates and times
- Guest contact details

Phase 6: Transport

Train and Flight Bookings

For intercity travel arrangements:

- Fill the Travel Desk Requisition Form (annexure)
- Mail to: Traveldesk@cumail.in
- CC: SENIORDIRECTOR.ADMIN@cumail.in

Attach:

- Government-issued ID proofs
- Traveller contact details

Notes:

- Preferred train number or flight code may be mentioned
- Mode of transport must be approved in the event budget

Internal and External Cab Arrangements

For cab services:

- Mail: transport@cumail.in
- Attach Transport Requisition Form (annexure) and event approval
- CC: SENIORDIRECTOR.ADMIN@cumail.in

Requirements:

- Clearly mention dates and time slots
- Driver details will be shared via WhatsApp or SMS
- Cab expenses must be accounted for in the approved budget

Phase 7: Digital Standee, Standee, and Banner Frames

Organizers are expected to primarily use standard default / regular standee and banner sizes.

Physical Frames

For regular frames:

- Contact the administrative supervisor of the respective block
- Check availability and quantity

If unavailable:

- Ask the supervisor to coordinate for frames from other blocks
- Escalate to AGM – Admin of the concerned campus area (AGM – South Campus / AGM – North Campus)

Large or Custom Frames

For non-standard frames:

- Contact CEMD, Department of Student Affairs
- Or meet Mandeep Sir, Admin Department

Office: Block B2, Level 2

Projects and Development Department

If frames are unavailable:

- Mail: ed.projects@cumail.in
- Attach requisition form and event approval
- Mention exact dimensions

Before mailing, consult:

- Mr. Aman, Sr. Weldor , Projects and Development
- Location: Beside B1 Parking, Welding Area

Digital Standees

For in-house digital standees:

- Fill the requisition form
- Mail: cemd@cumail.in
- CC: emd.technical@cumail.in

Organizers must visit the Department of Student Affairs and meet CEMD team.

Phase 8: Venue Readiness

Open Area Events (Competitions, Hackathons, CTFs, Game Jams)

For large-scale or technical events in open areas, it is strongly recommended to involve CEMD.

CEMD support includes:

- Assignment of a dedicated SPOC
- Complete venue readiness management
- Coordination with admin and technical teams

Organizers must CC cemd@cumail.in in admin requirement emails and schedule coordination meetings in advance.

Seminar Hall Events

For seminar hall events:

- Coordinate in advance with the sound in-charge
- Ensure all audio and technical systems are tested and ready

Security Coordination & Guard Requirement

Additionally, if the event is overnight, involves external participants, or has a high number of participants, please email csso@cumail.in to obtain security support and guidance. Kindly also request the deployment of security guards (both male and female, preferably) for the entire duration of the event.

Routing of Flagship Events through CEMD (Highly Recommended)

All flagship events should be routed through the Central Event Management Division (CEMD) for proper coordination and execution.

On-Site Bedding at Venue

Bedding arrangements are typically coordinated through the Administration Department. For mattress requirements, organizers are advised to consult the Director – Hostels, as better availability may be ensured through the Hostel Administration.

Phase 9: Purchase

Purchase Requisition (PR)

All external purchases must be routed through the Purchase Department using a formal Purchase Requisition.

Applicable items include:

- Trophies
- Medals
- Mementos
- Any other externally procured material

For department-level events, the PR is generated by the organizing department. For central events under OAA, the PR is submitted directly by OAA.

Purchase Order (PO)

After PR generation:

- Mail purchase@cumail.in
- Attach PR number, event approval, item details, and sticker designs (if applicable)

The faculty coordinator must visit the Purchase Department to complete the PO process. Once items arrive, confirmation will be shared via email.

Bouquet Requirements

If bouquets are included:

- Mail: Abhishek.e16068@cumail.in
- Mention required date and time
- Collect from Main Store
- Faculty collection only

Item Collection Rules

To collect items:

- Carry printed PR copy
- PR must be signed and stamped by Department Head / Principal
- Items will not be released without documentation

Non-standard items (e.g. Subscriptions or Spl. Items) require a formal approval note endorsed by the Pro Vice Chancellor – Academic Affairs and the Pro Vice Chancellor, must be

included in the approved event budget, and subsequently coordinated with the Purchase Department.

Phase 10: Hostel and Mess

For events involving external participants or non-hosteller students requiring accommodation, prior consultation with the Department of Student Affairs and Administration (DSAA) and the Hostel Administration is mandatory. All hostel accommodation requests must be routed through the appropriate administrative channels and are subject to availability and approval.

Hostel Accommodation (External / Non-Hosteller Participants)

Organizers must:

- Consult DSAA for guidance and approval flow
- Coordinate with Hostel Administration for room availability
- Ensure participant details and stay duration are clearly documented
- Obtain necessary administrative approvals before confirming accommodation

Accommodation arrangements must not be communicated as confirmed to participants unless formal approval has been received.

It must be noted that hostel accommodation for external or non-hosteller participants is a paid service. The applicable accommodation charges may be obtained directly from DSAA or the Hostel Administration, and the finalized cost must be incorporated into the sponsorship plan, or participant fee structure as applicable.

Mess Arrangements for Participants

If food arrangements are required for participants, one of the following financial mechanisms must be finalized prior to approaching the Mess Administration:

- Obtain sponsorship for meals and submit the sponsorship details to the university
- Collect participation fees covering meal expenses and deposit them with the university as per financial norms
- Include meal expenses in the event budget and obtain approval from the competent authorities

Only after the financial mode is finalized and approved should organizers proceed with mess coordination.

Coordination with GM – Mess

Once approvals are in place, organizers must email the General Manager – Mess at:

- gm.mess@cumail.in

Available meal arrangement options may include:

- Plate packing system (packed meals)
- Taking participants to designated hostel mess facilities

- Obtaining special approvals for opening D6 Mess or Star Building Mess, subject to administrative clearance

All mess-related arrangements are subject to availability, administrative approval, and compliance with university financial procedures.

Phase 11: Post Activity Report Submission:

Upon conclusion of the event, a Post Activity Report (PAR) must be prepared and submitted within five (5) working days. Timely submission is mandatory to ensure proper documentation, record maintenance, and administrative closure of the activity.

Submission requirements:

- The report must be submitted to: cocurr.clubs@cumail.in
- Mandatory CC: ankita.e9938@cumail.in and utkarsh.e19457@cumail.in
- Submission timeline: Within 5 days of event completion

The report should comprehensively document event outcomes, participation details, key highlights, financial summary (if applicable), and supporting evidence such as photographs or media coverage references.
